# GARDEN

# GARDEN in GREEN

Size in mm: 162x326

The Garden tile series evokes a feeling of old world cottages, springtime, and simply oozes a welcoming atmosphere.

The greens, creams, whites, and subtle accents make this a flexible option for any residential or commercial space.

# GARDEN in BLUE

Size in mm: 162x326

The Garden tile in Blue reminds us of classic blue and white china and creates a soothing and relaxing atmosphere.

The blues, whites, and subtle grey accents make this a wonderful feature or accent tile for any residential or commercial space.
