Otheas

The Otheas is a take on classical design with a distinct monochromatic palette. Inspired by classic Arabesque patterns in black white and grey, the Otheas fits well in a vast array of decor styles.

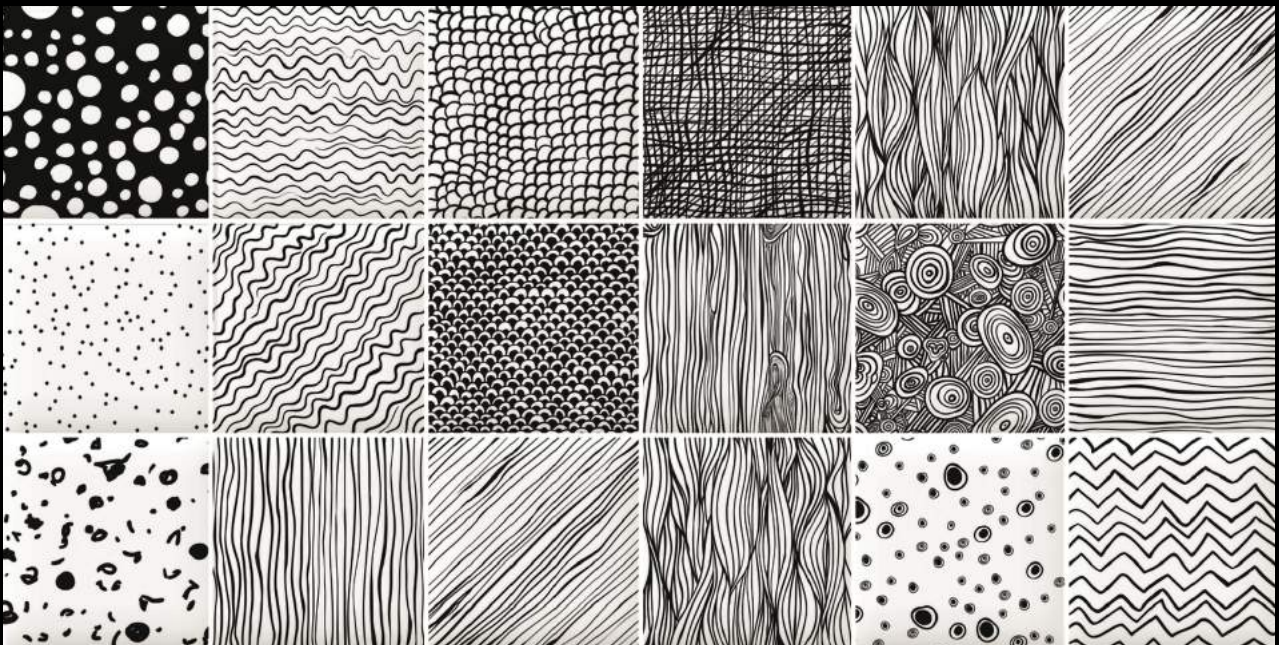

Scribble

The Scribble is a fun and colourful tile with a playful and artistic design. Taking inspiration from great modernist artworks, this intense and interesting tile would make an exceptional feature in any living or work space.

Kapen

The unique modernist Kapen tile features sketches on each tile that evoke textures like braided wool, chain and scale mail, & homespun fabric. This quirky tile would make an excellent feature or accent
